Publications, Second Year of Preaching thru the Bible Edit

Regular programming is interrupted, no enhanced, by the announcement of a new Bible study series from SunGrist on Amazon with the publication of # 5 in the series, "Him on the Great White Throne, the Lamb, and the Seven Spirits (Book II of the Harmony)"

The following is one short from the book:

#### 4. Some warnings about topics in Revelation.

(1) Kingdom in the book, the Forever Kingdom Jesus established on earth when He came preaching "the gospel of the kingdom". This is one reason that "the testimony of Jesus is the Spirit of prophecy" or preaching, which you already know as "when the world by wisdom knew not God, it pleased God by the foolishness of preaching to save those that believe"; and Paul in I Corinthians 14 established the principle that prophecy is preaching, whether of the OT Prophets or the church and the kingdom.

(2) Day of wrath in the book. Consistently in the Prophets of the OT, in Acts, and in the Apostles of the NT, there is the persistent thread finally and fully realized in the book of Revelation, the ONE DAY OF WRATH of the LORD God Almighty and the Lord Jesus Christ. Granted tribulation can be confusing, both great and final. Great was during the first two centuries of Christian testimony, and Revelation deals with extensively like with the souls under the altar that were martyred for their faith, and in the messages of the Ascended Christ to the seven churches (to all churches as seven is the number of completion); and most of the final tribulation dealt with and repeated with many images is of two kinds; that tribulation caused by Satan when he is allowed by Him on the throne to reap vengeance and justice on unbelievers.

**NOTE: Justice in Revelation can be a sticky point unless you have in your previous Bible the concept**

of how serious unbelief, a lack of faith and acknowledgement and worship, is to God the Father. More serious than murder, adultery, drunkenness, and all other sins you can name. It is the great sin, the only sin that can send a soul to hell.

This as all SunGrist (Jerry McMichael) Bible studies (commentaries) is interactive with links to the 3 SunGrist websites online making this one book with research capability seem like 10. They are in

color with green for quotes and blue for notes. The most outstanding characteristic of these Bible studies is that no point is made without a Bible quote for proof, and it is safe to say short of the remaining books on the shelves from Dr. R. G. Lee, who licensed me to preach, these books contain more substance, quotes, notes, and comments than almost any on the market.

Although you can not be instructed by an elder to the Apostle John, to eat the book, sweet in your mouth and bitter in your stomach, you can whet your appetite for more on the book of Revelation and last things (eschatology) by reading the CONTENTS.

Paperback of “HIM”

Front and Back Cover of Paperback

NOTE: Still respect Dr. Ray Summers, my instructor at Baylor in graduate Bible study with his title, "Worthy is the Lamb", and his courage like Daniel in the lions den to put forth a work in the midst of all the Scofield mites. In short, I have included the Lamb in the title, but beyond that "Him that sat on the Throne", what I find to be the prime subject of Revelation, reminding us each time we see it of at least two things: (1) To have so much respect for the great Creator to at first in Revelation of no mention of His real names except "HIM"; and (2) Our Heavenly Father has always been and will always be in charge or control.

**"...Blessing, and honour, and glory, and power, be unto him that sitteth upon the throne, and unto the Lamb for ever and ever." (Revelation 5:13)**
